Foreword

The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations—all blend into our high school experiences.

The Yellow Jacket, which was ours for so long, is now yours. Every picture, every line of copy, every piece of art work is familiar to us. When the final copy is mailed to the printer, the many hours that have jealously claimed our time since September are over.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '58, we shall be content, knowing we have done the thing we were called upon to do.

An honest man and truthful is he who directs the paths of the students with whom he is in daily contact. He is a well known and well loved person of high esteem among the students of Senior High School.

It is difficult to express the significance of the things he does and stands for because they represent those intangible qualities which so enrich the character and improve the mind.

In sincere respect we dedicate the 1958 YELLOW JACKET to our Mr. J. S. Kimble.

Buzz Staff

There are twelve journalism students working on the '57-'58 Buzz Staff, each of whom plays an important role in the success of the Buzz.

Betty Landmon, Betty Sue Moore, Richard Melvin, Del Marie Rogers, Lee Malone.

The editors and their assistants proofread all copy, correct mistakes, retype poorly typed material, and keep a list of all stories written. Some students spend from one to three hours on journalism work every school day

Carol Jackson, Judith Boren, Nanci Weideman, George Morrow.

Each student has an assigned number of inches to write for each Sunday's Denison Herald. Not only do the students learn to write a story, but they also learn to meet the deadline!

Judy Hoover, Nelda Phillips, Claud Tignor.

Library

The library assistants help themselves by helping others. The assistants shown here are checking books in and out. They also keep a personal reading record for each student in DHS.

Yvonne Swanger, Dickie Bond, Joe Wegener, Robert Williams, Mary Wastier.

Many of the assistants' jobs, such as pasting card pockets and date due slips, stamping ownership, and preparing the book for cataloging, are behind-the-scenes jobs.

Barbara Denson, Aliene Cook, Joyce Carr.

The students also shelve books, put magazines in folder, and look up references. It could be said that the library assistants are the busiest students in DHS.

C. J. Ransom, Nancy McManis, Mary Kay Perdue, John Gilbreath, Marion Richard.

One of the main purposes of the Student Council is to encourage student participation in the government of the school. Through the representatives elected to the Student Council, each student of the school is informed of the business activities of DHS. One of the most important projects of the Student Council is the planning of assembly programs for the entire year.

For Memories Only

April 30, 1958

Dear Reba,

Well we are finally Seniors and we have a few good memories behind us. Remember the times we went riding together and don't forget April 6. Remember the fun we had double-dating boy! We had fun New year's Day & New years Eve. Remember Rodney & Nathan, the time they came out to the house and what Nathan said. And you know Larry and Johnny, too bad they couldn't of stayed longer. The Saturday night we went skating and met Bob and Jim there then Sunday afternoon. But Reba, we can't forget April 6. They both were so bashful at first and that night you and Gene did all the talking and Paul and I didn't say a word. But we had lots of fun after that night, all of the times we double-dated with them.

As I said before we have had a few good memories. But really Reba, I have really enjoyed knowing you and I hope we will always be good friends.

Good Luck always,
Mary Hieronimus

Dear Reba,

We have many happy memories, especially our Sophomore years, for to me that was our best. Also, do you remember all the fun we had last summer, double-dating in Sam's old Dodge. I know I shall never forget the way the backend of his car would drag bottom every time we hit a bump in the road.

At last we come to our last year in D-N-L. But we can truly say we have had our share of joy & trouble throughout our high school years. Best of luck to you in the future & may God bless you in all that you do.

Love ya,
Joyce Carr

Varsity

Dear Reba,
It's been a lot of fun being in homeroom and etc. with you in Junior High and Senior High. I want to wish you the best of happiness and success in the future years.

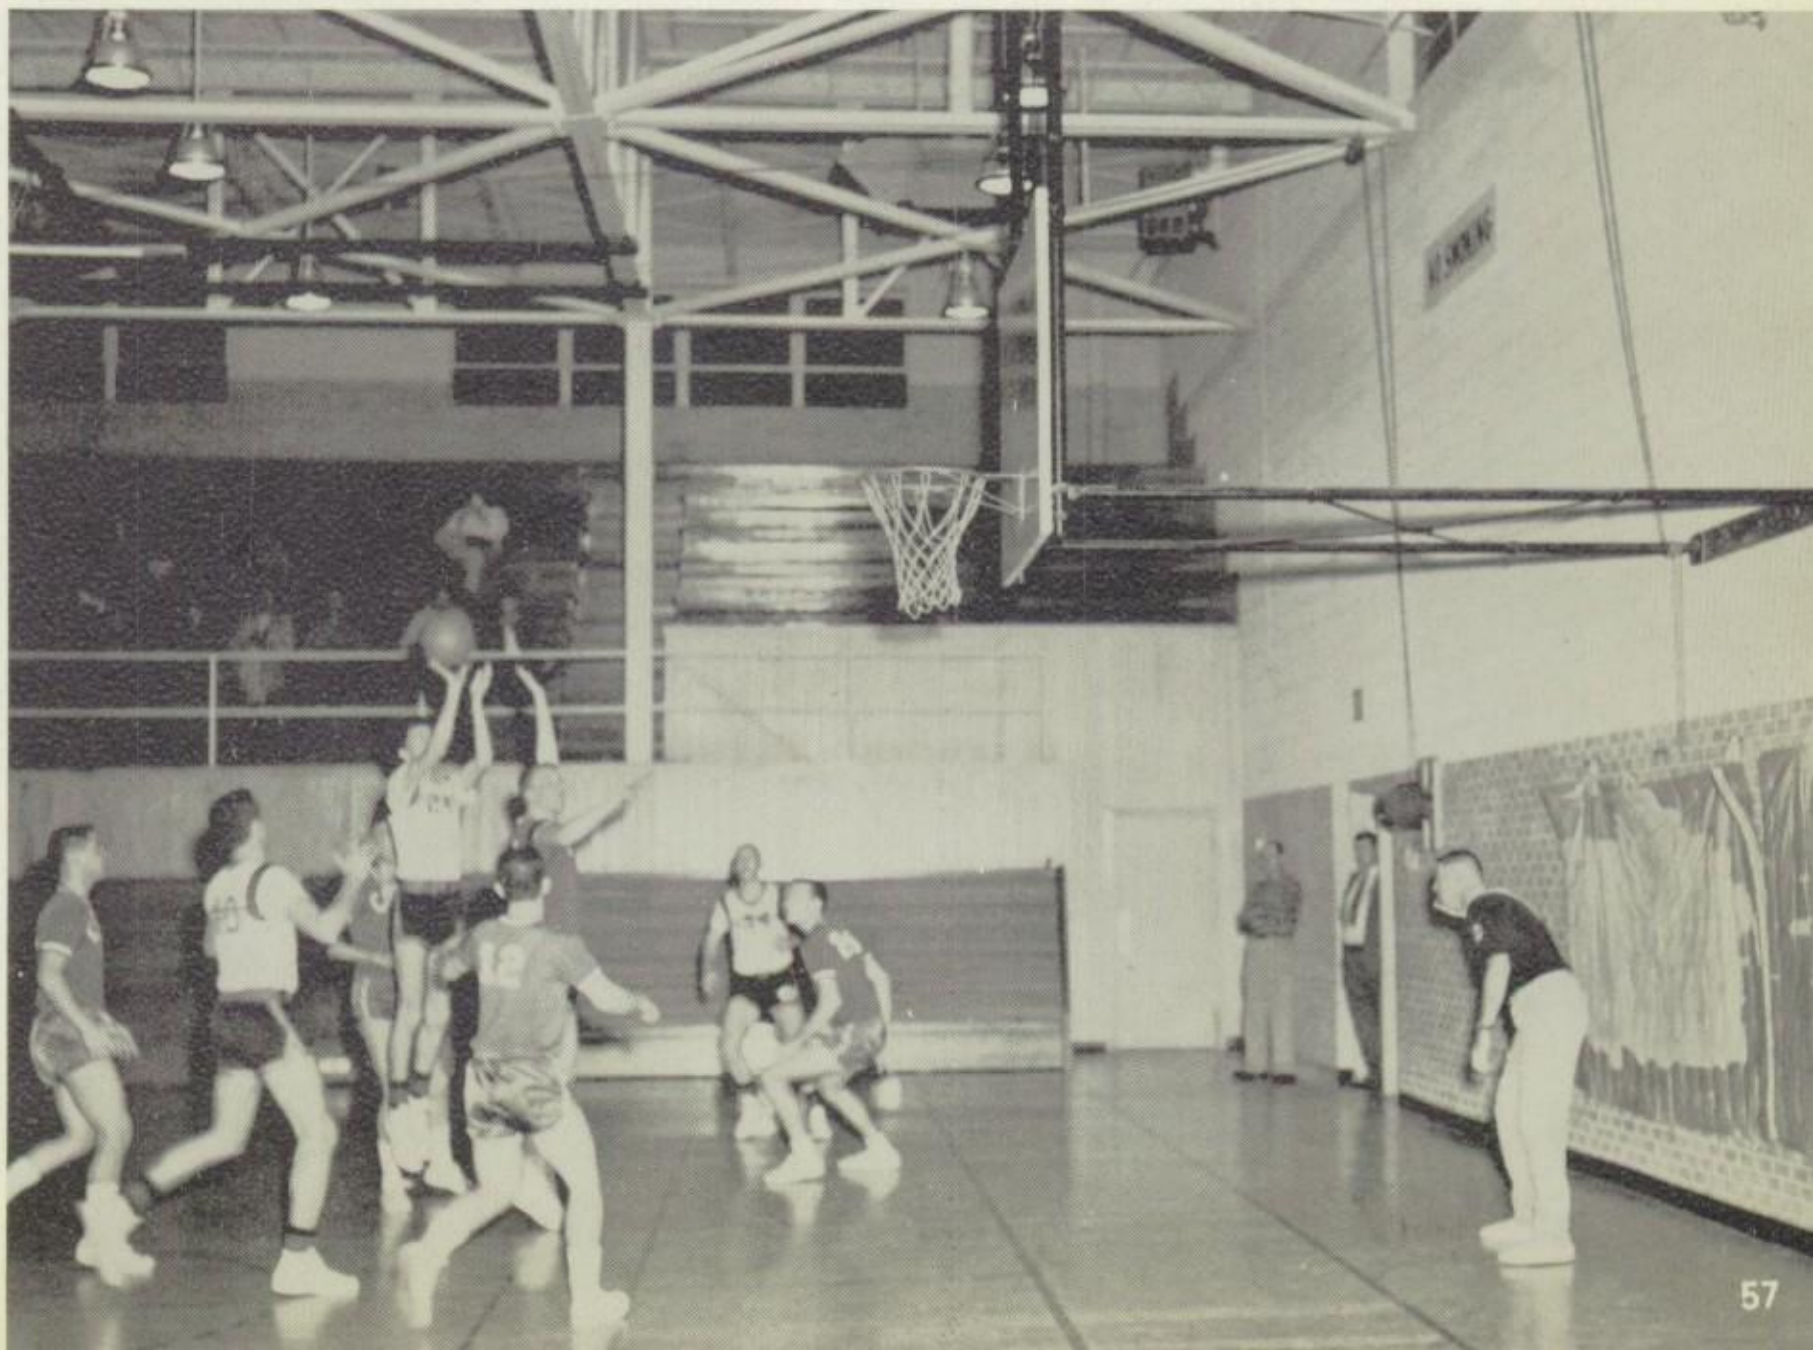
"A" Squad Basketball

The Yellow Jackets hustled through a hard-luck season this year, dropping a large majority of their games.

Coach Long's quintet concentrated largely on a ball control offense. They interchanged a shifting zone and a man-for-man defense as was needed.



"B" Team Basketball

This season saw the Bees with a spirited, hustling team, pulling several wins out of the fire and dropping some others just as close.

With fair depth, Coach Charles Jackson often juggled the starting lineup in such a way as to produce an ambitious quintet of cagers.

Front row: Jim Freeman, Jerry Hatfield, Sidney Wilkirson, Sonny Allison, Bobby Nelson, James Hester. *Second row:* Vincent Stanphill, Charles Mauk, Charles Lummus, Jerry Holder, George Morrow, Tom Barnes, David Atkins. *Third row:* Kenneth Ritter, Roger Shires, Frank Tatum, Bob Gaines.

Girls' Basketball

"The Best"

The girls' basketball team had a very successful season this year. Up to the time the yearbook went to press, the girls had won 9 out of 13 games. A number of the players returned from last year to give a squad of experienced girls.

MANAGERS: Jane Elmore and Margaret Hempkins.

Forward Forward

First row: Patricia Hales, Mary Johnson, Betty Hughs, captain; Marilyn Gilliam, captain; Opal Ulch, Reba Jones. *Second row:* Mary Drumb, Barbara Whitworth, Linda Monday, Pat Hoedebeck, Betty Landers, Rosemary Lewis, Elayne Maxwell. *Not shown:* Sarah Lawrence, Laura Rains, Laura Smith, Modena Burns, Marsha Banner, Phyllis Wright.

Front row: Billy Bob Andrews, Bill Martin, Jimmy Wells, Dewayne Cooper, Claude James, Dan Watson. *Second row:* Bill Weldon, Don Ashburn, Mabry Andrews, Ben Munson, Dale Robins, John Hancock, Dennis Collins, Donald Brooks, Albert Clymer.

Boys' Tennis

Last September sixteen boys headed by three Senior lettermen, Don Ashburn, Bill Weldon, and Mabry Andrews, reported to tennis Coach M. M. Marshall.

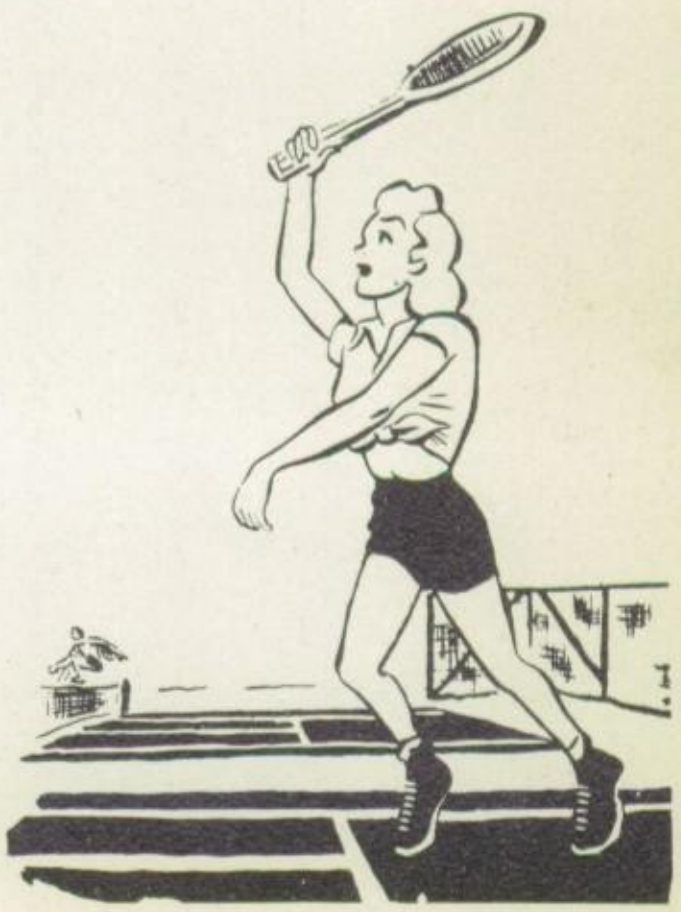
The team consisted of five seniors, five juniors, and six sophomores. These boys turned out with great competitive spirit, each equally determined to make the team. Coach Marshall scheduled several practice matches with schools in surrounding towns in order to prepare his charges for the district tournament held in Denton in April.

Front row: Betty Landers, Pat Hoedebeck, Opal Ulch, Betty Hughes, Marilyn Gilliam. *Second row:* Margaret Hempkins, Elayne Maxwell, Mary Johnson, Modena Burns, Marsha Banner.

Kinda dumb about the game

Girls' Tennis

The Denison Senior High Tennis team is composed of ten girls who practice during the fifth period and sometimes after school and on week-ends when the weather permits. The girls compete against each other in a Round-robin Tournament, and the three girls making the highest score are sent to Denton to represent Denison in the District Meet. Those who play in the District Meet are the ones who receive letters.



Front row: Winston Mosse, Jim Brown, Carl Linsteadt, Sonny Allison, Mike Testa, Mack McClure.
Second row: David Neal, Bill Carr, David Maddux, David Markham, Eddie Hinton, Brett Bayne.
Third row: Paul Burnett, Tom Barnes, John Warriner, Rickard Harvey, Roger Shires, Andy McGee.

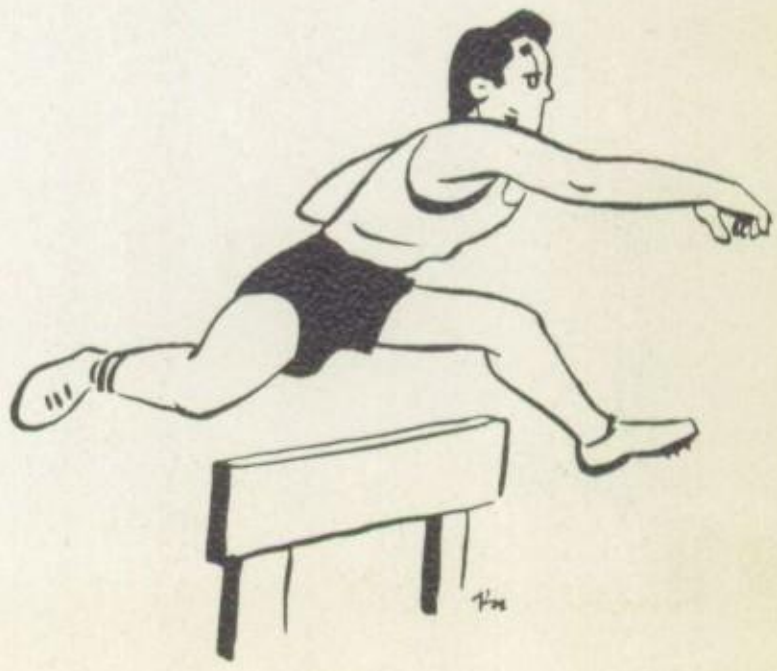
Baseball

This year we had five players returning from previous seasons and a large group of newcomers to help fill spots vacated by last year's seniors. "This may promise to be an eventful season," commented Coach Charles Jackson. Additional equipment was purchased to help in practice.

Front row: Terry Ritchey, Bob Miller, Joe Laughlin, Tom Amderson, Larry Hardy, Jerry Holder, Glen Taul. *Back row:* Charles Withers, Gary Goodgion, David Atkins, Calvert Benedict, John Wilson, Jackie Melvin, Robert Pearson.

Track

The members of the track team will participate in their first invitational meet March 22 at Irving. They will participate in a number of trial meets on the home track and on other tracks before the District Meet, which will be held in Denton April 11 and 12. The track team is striving to build interest in track comparable to the modern facilities we now have on our campus.



Front row: James Hester, Archie Dean, Ames Blassingame, Ronnie Brooks. *Second row:* Jim Fitzjarrel, Dickie Bond, Bob Bratcher, Jim Freeman.

Golf

The golf team planned to have approximately six matches before entering the District Tournament, April 11 at Denton. The team was composed of eight boys, headed by lettermen Ames Blassingame and Ronnie Brooks. The boys practiced at the Denison Rod and Gun Club and played their home matches there.

The End

In Memory of Mr. James E. Doudney

Although Mr. James E. Doudney had been at Denison Senior High for only a short time, he had made a lasting impression on our school. We are fortunate to have felt the warmth of his friendship and to have benefited from his spirit. He was one of those rare individuals who are liked better as each day passes. We have lost a friendly, sympathetic teacher. We will greatly miss him as a teacher and as a friend.

The staff regrets that this page has the position in the book that it has. At the time of Mr. Doudney's death, the book had been so planned that it was impossible to put the memorial in the desired place.

Dear Reba,
We are seniors after so long a time. Many memories we share beginning in our Junior High School days. Remember! Hell night are may things we can say remember. Remember the night we went to the Sweetheart Banquet at the East Woods Hall. J.J. made me so mad that night. How can you forget the first Swipstick we had at this Senior High School? How I often wish that K.D. and J.D. had have gone that night. I bet things would be different today! Never will we be able to forget Jack D. and S.K. and the lovely times we all had together. Do you wish we still had those good times together? I know we all do! Reba I hope you find what you are looking for. But always remember never to give up and be satisfied with anything. You deserve the best never accept anything but the best
